The Write STUFF!

WE LOVE GOING DOWN - UNDER

Maria

I grew up in Altona which is a suburb just south of Melbourne. It was a typical middle class Aussie upbringing, but I wanted more. I had a boyfriend who grew up in Europe, but his parents decided to move back. We were together through our college years, but again I wanted more. So I sought out some people in Sydney I had heard would pay for masturbation videos.

My boyfriend agreed to video me as long as it stayed between us and as long as I didn't do anyone else. So one day we got ready and I put my hair back and put on these cute little outfits and started masturbating away. At first it was just my fingers and then I brought out my toys.

We sent the vids into Sydney and they liked them and wanted more. We agreed as long as they were only me, or me and my boyfriend. I was still testing the waters a bit and not too sure if I wanted to do more. But I agreed and we set up the camera on a tripod in the bedroom and got at it. I laid on my back and I had my legs wrapped around him. He was kissing on my neck and ears. His hand made it to my chest. He rolled onto his side and his hand slid down my smooth belly, into my panties.

I got up shortly after he pulled his hand out of my pants. I turned away and he had reached around me and unbuttoned my pants and dropped them. He took my shirt off of me and kiss and touched my body. He liked squeezing and playing with my ass. I had my back to him and his cock was getting larger. I reached down into his pants and I wrapped my hand around his cock. I told him how big it felt in my hand. It was big, long and thick. I turned to him, dropped to my knees and throatied myself all the way balls deep one time while looking into his eyes. I stood and pushed him onto the bed.

We had talked about little scenarios so the vids would not just be straight fucking. He moved the camera a little closer to the bed because we were going to get deeper into the action. I said, "I will do whatever you want me to do." after the camera started rolling again.

He grabbed me, turned me around. Grabbed my waist and made me to bend over. I was standing with my hands on my ankles, he pulled my thong to the side and started to finger my ass a little. He was going to be fun, he was sucking on my balls too, I directed him to finger my pussy. Then he asked "Do you ever use a toy to masturbate?"

I replied, 'of course.'

'Show me. Do it like I wasn't here,' he said. I walked over and opened the closet. Pulled out my suction cup dildo which was a bit smaller than he was. I stuck it to the floor a few feet away from him as he swung around the camera. I positioned myself over it and lowered myself onto it. I was looking directly into the camera as I was riding a dildo on the floor. You know the rest.

We sent the vid to Sydney - they asked for more - and that's how I got started!

International College Girls

There's hot, sexy college pussy all over the world. This month we bring you five gorgeous co-eds who look sweet on the outside yet, horny and nasty on the inside. Sometimes they will study, but most of the school year they're ready to fuck. Their cute schoolgirl outfits are a wet dream. Even their professors aren't safe.

KIT

RANAE

Can you tell which country our college cities are from?

STACIE

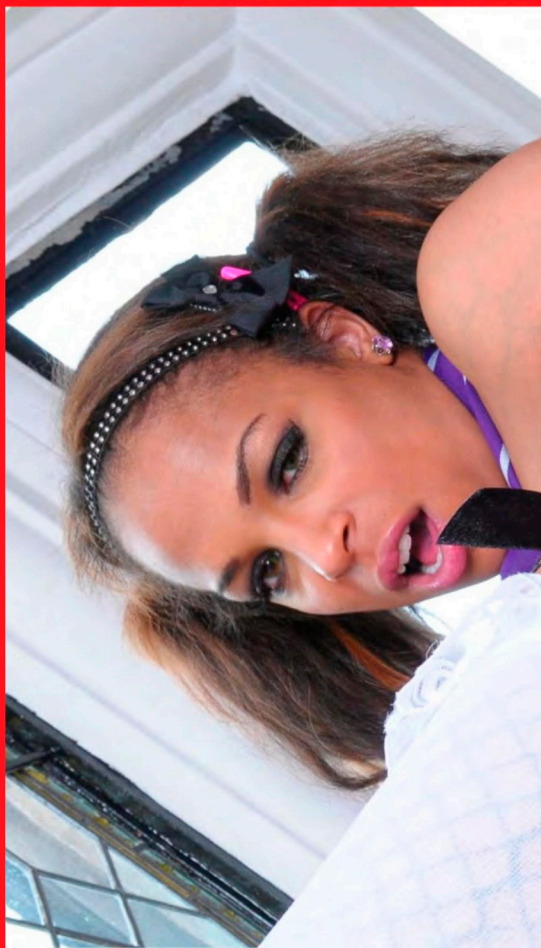

MINA & MORGAN

Kit goes to a small college in the heart of London where old ways

KIT

are difficult to change. But Kit's mouth and pussy finds their own way to make change.

The Danes are as progressive as they cum, leaving uniforms

behind and letting the students choose their clothes. We like Ranae's selections.

Stacie's boyfriend doesn't want to hear "Non, non." He wants

a "Oui, oui." from his French filly. Close those books and open your mouth, he insists.

The Berlin College dean has to discipline two co-eds for kissing

MINA & MORGAN

each other in the bathroom. That's not allowed and they need to learn their lesson!

ON THE SCENE GETTING COZY IN IBIZA

The girls got up and walked to the stern where some of the other women were donning masks, snorkels, and flippers. Chloe realized that it felt so good to walk around nude in the sun and in a group of equally naked women. She also lost a bit of her shyness a started looking at the other women's bodies. There was a wide range of heights and weights in the party, but all of them looked happy and comfortable with who they were and how they looked. The more Chloe looked, the more comfortable she felt.

The boat was anchored in the warm waters of Cap Martinet, a shallow bay just north of the town of Ibiza. Karrin grabbed her hand and together, they jumped into the clear water. It felt wonderful! Chloe had never skinny dipped before, but this was fabulous! The freedom, the sensuous feeling of the water on her body! She knew that she'd do that again soon. She and Karrin floated around, bumping into each other, giving each other quick kisses and quick feels under water; just having a great time. They pulled themselves back on the boat and spread out on the deck. Chloe enjoyed the feeling of her body drying in the sun with no wet, sticky bathing suit.

Once in a while, Chloe would feel someone eyeing her with interest, but instead of feeling worried, she started standing a little bit straighter, pushing out her chest and actually enjoying the looks she got. She also was looking at the women and found herself actually enjoying the scenery. She was quickly realizing that she loved looking at naked women.

When it was time to return to port, Karrin asked Chloe if she minded that she went to sit with another woman, which of course Chloe didn't. She went back to her old spot to read her book, but was soon joined by Ellie. Chloe looked at her for a second and realized that this is just what she needed. She needed a senior in whom she could confide, who knew more about Spanish colleges and their social scenes. She proceeded to tell Ellie everything, surprising herself at the level of detail she was willing to reveal. She also told Ellie how much she loved Karrin and how she was worried that her world would collapse if the affair became known. While Chloe was telling her story, she and El-

Chloe

Karrin

lie were both reapplying sunscreen on their fronts. Ellie asked her if she wanted her back done. Chloe looked around for Karrin and couldn't see her as she was on the other side of the boat, so decided to accept the offer.

She allowed Ellie to rub sunscreen on her. She started at her feet and worked slowly up the calves and thighs. When she got to the upper thighs, Chloe spread them a little bit, allowing Ellie better access. Ellie didn't touch Chloe's pussy lips, but she was close and Chloe squirmed a bit in embarrassment ... or was it lust? Chloe opened her eyes to see Ellie's shaved pussy just a few inches from her face. It was so close that she could smell her musk and could see the inner labia. Unlike Karrin's they protruded from the outer lips to form a very sexy tongue peeking out. 'Damn, I'm getting hot!' she thought, and then without realizing it she asked herself, 'I wonder if she tastes like Karrin.' All this time, she could feel warm hands rubbing oil on her naked body, in a semi-public setting. She thought that she should be uncomfortable, but she was just turned on. She felt a bit guilty that Karrin wasn't the person doing the rubbing, but she also knew that this wasn't going to go much further. It was just harmless flirting.

When Ellie finished, she asked Chloe to return the favor and then lay on her stomach. A little smile came on Chloe's face as she thought of the gentle teasing that she had just received. She put her hands on the second naked woman in her life. She loved the way Ellie's oily skin felt. She massaged the calves and the thighs, and when she got to the ass, she noticed that Ellie had her thighs open quite widely. She passed her hand very close to the pussy, but didn't touch it, though her fingers passed over the ass crack and fleetingly touched the anus. At that point she heard a moan from her new friend. That sent a chill down her spine and she could feel her pussy begin to get wet. She knew that Ellie could see her swollen and wet pussy. Strangely, she was enjoying the idea that she was turning on someone else.

After finishing, both women smiled at each other, knowing that they had been naughty without stepping over any boundary. They settled next to each other and continued talking about their lives and work. Chloe realized that she had a great friend in Ellie. By the time the 'cat' docked, everybody was dressed, tired and looking forward to a shower. As they were going in their respective directions, Ellie asked if Chloe and Karrin wanted to join them for dinner the following night. Both of them readily agreed. Before parting they sat a time and place. Once inside their apartment, Chloe grabbed Karrin and pushed her against the door as she kissed her hungrily.

Spending the day around sexy, naked women all day had been too much for the girls. They tore the clothes off each other and ran into the bedroom. Chloe lay on her back and guided Karrin to bring her ass over her face. She just pulled the ass down and attacked the pussy with her mouth and tongue. Karrin screamed but then bent her head between Chloe's legs. Chloe put two fingers into Karrin's pussy and worked them in and out, while suck-

ing on her clit. Karrin was doing the exact same thing to Chloe at the other end. She was bent down, one hand wrapped around Chloe's thigh and with fingers fucking in and out of the pussy. It didn't take long for both women to explode. It happened at the same time, drenching both of their faces. They rested for a few minutes before Chloe rolled her lover onto her side, and with her face still between Karrin's thighs, started licking her again. Karrin returned the favor and buried her face between Chloe's legs. They teased, licked, and pulled at each other's labia with their lips. Once in a while, a tongue would make its way back to the ass and lick out the juices that had trickled from their wet pussies.

Chloe's mind wandered off a bit as she nibbled and licked Karrin's pussy. Despite her conservative background, she was getting to enjoy the naughty, earthy words and expressions she was starting to use more and more frequently with her lover. From her nipples and the skin of her tummy, down to the wonderfully wet pussy, and even her rosebud, she loved Karrin's body as much as she loved the girl's smile, enthusiasm and friendly personality. Chloe knew that whatever love she had for Karrin when they agreed to this trip had doubled or tripled. She was totally in love with the young girl and knew that this was incredibly problematic. After a little while, Chloe re-focused on bringing Karrin off. She lubricated a finger with fuck juice and saliva and started teasing Karrin's anus with it. She worked it in a little distance and then pulled out, and then she would wet her finger again and tease some more.

Karrin was thrusting her hips back and forth trying to get the finger deeper into her ass, and then she would reverse and try to get more of Chloe's mouth on her pussy. Chloe was enjoying playing her lover like that. Finally, Chloe stopped teasing and moved her finger in Karrin's ass to the second knuckle and attacked the clit at the same time, flicking her tongue at it rapidly for a minute. Karrin screamed, her legs clamped around her lover's head as her body began to spasm. Karrin exploded, almost crushing Chloe's head with her muscular thighs.

Chloe worked hard to drink Karrin's love juices all down, only allowing a little to escape and run down her chin. When the throbbing in Karrin's pussy slowed Chloe relaxed and fell onto her back. "Don't you dare make yourself cum," she ordered Chloe who hadn't had her release yet. Chloe grinned and knew that as horny as she might be, the wait would be worth it. After a couple of minutes, Karrin rolled over her lover and kissed her lightly. She then continued down and kissed Chloe's nipples and started to suck and lick them. Finally, she moved down until she was kneeling between Chloe's spread thighs. She put her hand under Chloe's knees and pushed up so

that Chloe was almost bent in two at the waist, with her pussy and ass in the air. Karrin then bent down slightly and passed her tongue from Chloe's asshole to her clit and then started licking the little brown flower, teasing it gently.

At the same time, her fingers were pumping in and out of Chloe's pussy and she would use her tongue to occasionally flick her clit. It didn't take long to bring Chloe to her peak. The anticipation, the strange exposed position, the ass play, all conspired to take Chloe over the top. Karrin quickly dropped her mouth to Chloe's pussy, lapping up as much of her juice as she could get. Karrin let her friend's ass down and collapsed beside her, cuddling her until they both recovered from their strong climaxes.

Suddenly there was a soft knock on the door: "Ellie" they both said in hushed unison. Chloe grabbed her robe and went to the door telling Ellie that the sun had gotten to them today and they were too wiped to go out. "We're just gonna watch some TV and go to bed early. Can we make it tomorrow, Ellie?" Sure...

MY STORY: HOW I STARTED IN PORN

Have you ever wondered how men get into the adult business? There are plenty of stories and video clips with starlets recounting their first experience or how their girlfriend or husband got them into the game. We know there are many wanna-be guys who dream of fucking new girls every day, but the reality is that it's tough work and they have to stay hard for hours at a time and cum on command. No wonder there are so few of them.

Sitting around and waiting is always the hardest part of the job. Thinking and fantasizing is all I can do. Naturally I'm already rock hard, anticipation of my turn in front of the camera. Waiting for the scene to end so mine can begin. There are no fluffers anymore, unless you're working a gang bang. I don't do them.

Sometimes the girl I'm working with will give me a hand job or blow job just to keep me hard and interested. But man, when I'm waiting around for an hour or more, that's not possible. I have to find a way to stay in the game once my number is called.

But you asked how I got started? Yes? It was about four years ago that I did my first pro gig that I actually got paid for. I had done a few stand-ins when the male star couldn't keep it up or keep it going. I worked in a college cafeteria after graduating. I swore it would only be for a few weeks and I could be around my girlfriend who still had one more year.

But as fate had it, a sales lady for the beverage company came by one day and I was immediately smitten. I happened to be in the Food Services office and she mistook me for the

manager. I do admit I let her on for a minute, but told her, and we both had a good laugh. I went and found the manager and told him there was someone to see him.

Her name was Valerie and she was a hottie. Immediately I reminded myself that I was in a relationship and had to change my attitude right away. But all I could do was think about how I wanted to tear off her clothes and slip her my thick cock the moment we met. That's not how it goes though is it, there is always at least a hi or hello first followed by some conversation.

BRANDON

MY STORY: HOW I STARTED IN PORN

A couple days later my manager asked if I could run downtown to their Work had finally taken me to her warehouse and pick up some new product she must have convinced him to try. It was five o'clock, exactly the time I was to be there. I backed into the loading dock and she came out with her white blouse, black skirt, heels – and a bright yellow hard hat. I wasn't expecting to see that and it was kind of a turn-on.

I got out and we both waited on the dock for the pallet to be brought out. I looked at her closer and saw she couldn't have been more than 25. We made some small talk about the product I was about to receive, that her daddy owned the business and she had just broken up with her boyfriend. Did I see that as an opening. You bet I did.

Then it happened. I couldn't control my mouth. My cock was taking over. I asked if she would like to grab a coffee. She looked at me, right into my eyes, and I had to look away. I

thought that sold her. Shy was I. That's when the loading dock doors opened and the pallet came out. 'Whew.' I thought. Maybe I didn't say it but just thought it.

I helped the guy load the back of the truck and he went back in. She did a final count from the dock and motioned me over to get the receipt. I went and she bent down and whispered to meet her at the coffee shop on Third and Maine in an hour. Unbelievable, I thought. At six-thirty she showed up.

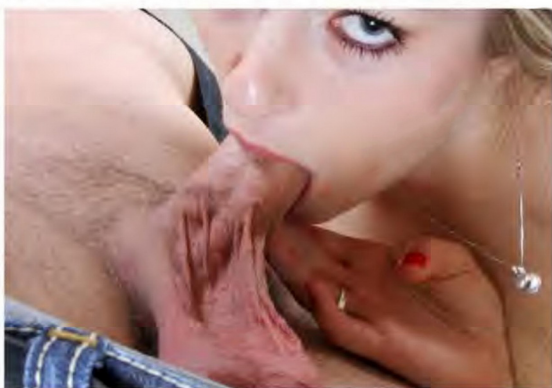

Her blouse was looser than before and her boobs pushed at the fabric since there didn't seem to be a bra to help keep them back. She still wore the black skirt that she wore at the office. Black leather ankle high boots covered her feet. She was radiant, her soft light skin, red lipstick and layered blonde shoulder length hair.

We each had our coffees and talked for a couple hours. I was able to use my college education to impress her

because she only went for a year. She agreed to meet me for a picnic on Friday. I told her there was a great area about a half hour away. Never did I say that I had a girlfriend because it was my cock talking most of the time.

Friday, noon. I was quick to open the truck door as she got in. I was transfixed on the six plus inches of cleavage that was presented as she climbed in. She giggled and laughed as she noticed me notice her. I started the truck and we departed. I could feel her eyes on me and a smile that hadn't stopped. "I can't believe we are finally going!" she said. I turned my head to return the smile but I was once again lured in by the bounty of cleavage. She laughed and unbuttoned a few more buttons of her shirt. That put the opening below the bottom of her boobs and I could see there were only two buttons left.

I was hard. My cock nearly touching the steering wheel. It was a hot day and all I had on was my boxers be-

BRANDON

MY STORY: HOW I STARTED IN PORN

neath my coveralls. She kept playing with her buttons finally unbuttoning them all. She looked over at me and smiled as she rubbed them. I reached over to touch the closest one and as I did she breathed deeply. Between my thumb and forefinger I squeezed her nipple and she let out a whimper. She pulled up her skirt to reveal her panties.

"Do you like these?" she asked. I moved my hand down to the underwear to feel them. They were sheer but with a spider web pattern to them which was almost rubbery. "I don't usually wear underwear for to go out but I saw these and thought you might like them." I was transfixed on the damp warmth between her legs as I continued to explore them with my fingers. As I pushed my middle finger up and down her slit she let out another moan.

She sat up to remove them in the passenger seat as we continued down the road. She held them over her crotch for one last look. She

folded them into a tight wad and started working them around her pussy soaking up all her wet juices. Once they were completely soaked, she carefully set them on the floor in front of her.

A moment later we reached the park entrance and I turned into the nearest vacant lot I could find. As I parked the truck, I moved my seat as far back as it would go and pushed back the steering wheel. In one motion I lifted the console out of the way and kissed her. I could feel her breath deeply as she pulled away. She had a look, she wanted to devour me.

She ran her hand down my coveralls to the swollen cock. From there she zipped them open from the bottom to reveal my cock had already made its way through the opening in the boxers. She stared at it and gave it a few strokes before swallowing it. I just lay there as my cock felt the back of her throat. She turned away from me and spread her legs which gave my hands access to her now drenched

pussy. Her hot mouth was working hard to make me cum but I held out for as long as I could before the inevitable. She took her time and slowly worked every last drop of cum from my cock. I was spent and lay there while she returned her boobs inside her shirt and pulled down her skirt.

After she checked her hair and makeup in the passenger mirror she helped return my receding cock into its proper place. "Lets go picnic," she said with a smile. After she stepped out of the truck, she leaned back on the bumper and reached between her legs and pulled out her panties. "These are for you," she laughed and placed them in my top coverall pocket. I grabbed the picnic basket.

The reason this is my unofficial start is that I realized I could have uncommitted sex with someone other than my girlfriend. I broke up with her over Christmas break. By summer I had offered myself as a stand in cock. I liked it, and when director's saw I could stay hard, I was in!
